DISCOVER THE DIFFERENCE

30 YEARS

We understand the weekend warrior in you. You don't have the time to tinker with a boat, or train 7 days a week. You want to launch your boat, go, and be a contender. With the JY15, the boat you buy is the boat you race, and because the JY15 is so fun and easy to sail, finding crew is a breeze. Look around you right now – your crew could be your husband, wife, girlfriend, boyfriend, children or grandchildren. With over 80 active fleets and more than 2800 JY15s nationwide, you'll never have a problem finding someone to play with. The JY15 is built utilizing the patented Advanced Composite Process, which combines thermoformed UV protected plastic, fiberglass mat and injected foam. The result is a rigid, sturdy hull that is five times more impact resistant than conventional fiberglass and unsinkable. Come Discover the Difference.
